(Do it on my own)
It's Craig David
(Do it on my own)
Remady
Lately, I see no red only green lights
It took some time but that's alright
I feel it all come together
I feel alright
And it's my turn and I'm running out
The day got me feeling alive
It's my time and I'm ready so,
I'm running out, I gotta go
Yeah I can do it on my own
All that I sacrificed, I don't need anymore
Yeah I can do it on my own
It don't matter what you say (say, say, say)
Lately, I been caught out acting crazy
That's all over, now it's changing
I've worked it out, now it's alright
I've worked it out
It's my life and I'm telling you
It's the end of feeling alone
It's my time and I'm ready so,
I'm running out, I gotta go
Yeah I can do it on my own
All that I sacrificed, I don't need anymore
Yeah I can do it on my own
It don't matter what you say (say, say, say)
Yeah I can do it on my own
All that I sacrificed, I don't need anymore
Yeah I can do it on my own
It don't matter what you say (say, say, say)
Try to make sense of it all
Breaking up over silly things that you heard
Well I never thought that I would let go
Of this precious thing called love
Wasted it all, wondering where did it go
All I know is that nothings gonna bring back yesterday
We rise and we fall, but now I'm gone

(I can do it on my own)
Yeah I can do it on my own
All that I sacrificed, I don't need anymore
Yeah I can do it on my own
It don't matter what you say (say, say, say)
Yeah I can do it on my own (do it on my own girl)
All that I sacrificed, I don't need anymore
Yeah I can do it on my own
It don't matter what you say (say, say, say)
