

Conquest

The White Stripes

Conquest

He was out to make a conquest
Didn't care what harm was done
Just as long as he won the prize
Conquest
She was just another conquest
Didn't care whose heart was broke
Love to him was a joke
'Til he looked into her eyes
And then in the strange way things happen
Their roles were reversed from that day
The hunted became the huntress
The hunter became the prey
Conquest
Now you know who made the conquest
She, with all her female guile
Led him helpless down the aisle
She had finally made a conquest
And then in the strange way things happen
Their roles were reversed from that day
The hunted became the huntress
The hunter became the prey
Conquest
Now you know who made the conquest
She, with all her female guile
Led him helpless down the aisle
She had finally made a conquest
Conquest
