# Stay Around

## American Authors

I don't know what I would do if I was left alone to my own devices
I need to fight this
Sometimes I feel that I'm not acting right all my life I've been acting childish
Don't mean to be like thisBut I swear I'm gonna take my time
And I hope that you don't change your mind
So I swear I'm gonna take my time
Oh, I know it's hard to find someone like you, I don't wanna let downI hope you stay around, stay around
I hope you stay around
I hope you stay around, stay around
I hope you stay around
Ooh, when you see me at my worst
My, my, my worst
I hope you stay around, stay around
I hope you stay around
Sometimes I put up a wall to protect how I feel when I fear the darkness
My heart is guarded
Lighting my fuse is so easy to do, no excuses, I make it harder
For that I'm sorry'Cause I swear I'm gonna take my time
And I hope that you don't change your mind
I hope you stay around, stay around
I hope you stay around
I hope you stay around, stay around
I hope you stay around
Ooh, when you see me at my worst
My, my, my worst
I hope you stay around, stay around
I hope you stay aroundTell me that it's all okay
Keep me from digging my own grave
Tell me it's okay
'Cause I know it's hard to find someone like you, I don't wanna let down
I hope you stay around, stay around
I hope you stay around (Stay around)
I hope you stay around, stay around
I hope you stay around
Ooh, when you see me at my worst (When you see me at my worst)
My, my, my worst
I hope you stay around, stay around (I hope, I hope)
Hope you stay around
