

# Big Road Blues (Stereo)

## Canned Heat

I ain't goin' down that big road by myself  
I ain't goin' down that big road by myself  
If I can't carry my baby, gon' carry somebody else  
Sun don't shine in my back door somedays  
Sun don't shine in my back door somedays  
Big wind gonna blow up, take my blues away(???)  
Reach in the corner mama hand me my travelin shoes  
you know I got them big road blues  
Sun gonna shine in my back door someday  
The sun gonna shine in my back door someday  
Big wind gonna blow up, take my blues away
