

Back at Your Door

Maroon 5

From the moment the lights went off
Everything had changed
Lie awake in an empty room
In my head, it all feels the same Like the taste of the day you left
It still lingers on my breath
And the dampness of tears that left
That stain where you had wept All alone with the negligee
That still hangs off of my bed
I keep meaning to give it away
But I just leave it there instead No need to cry about it
I cannot live without it
Every time I wind up back at your door Why do you do this to me?
You penetrate right through me
Every time I wind up back at your door Three more days 'til I see your face
I'm afraid, it's far too much
Cook a meal and fix up the place
Dial your number, hang it up If I took you for granted
I apologize for acting tough
You're my reason for living
And there's no way I'm giving up No need to cry about it
I cannot live without it
Every time I wind up back at your door Why do you do this to me?
You penetrate right through me
Every time I wind up back at your door Now every evening is a bitter fight
And I'm eating all alone on a Friday night
And I know what your friends say
Hes just wasting your love and time
I will never let you change your mind No need to cry about it
I cannot live without it
Every time I wind up back at your door Why do you do this to me?
You penetrate right through me
Every time I wind up back at your door No need to cry about it
I may just die without it
Every time I wind up back at your door Why do you do this to me?
You penetrate right through me
Every time I wind up back at your door
Every time I wind up back at your door
Every time I wind up back at your door
