

# A Very Special Love

Sarah Geronimo

I never believed in love  
I was deceived by love  
I never had much luck  
With lovers before And I couldn't compete  
I seemed  
Just part of the street  
To be walked on  
By everyone but then Then I found  
A very special love in you  
It's a feeling  
That's so totally new  
Over and over  
It's burning inside  
And I found  
A very special love in you  
And it almost breaks me  
In two  
Squeezing me tighter  
But I'm never gonna let go You're not like the rest  
I know  
You're one of the best  
You give more  
Than you should  
And take nothing  
In return Stay always with me  
And I always will be  
The one person  
That you can count on  
Always to love you And I found  
A very special love in you  
It's a feeling  
That's so totally new  
Over and over  
It's burning inside  
And I found  
A very special love in you  
And it almost breaks me  
In two  
Squeezing me tighter

But I'm never gonna let go And I found  
A very special love in you  
It's a feeling  
That's so totally new  
Over and over  
It's burning inside  
I found  
A very special love in you  
And it almost breaks me  
In two  
Squeezing me tighter  
But I'm never gonna let go
