

One Day I'll Fly Away (Tony Phillips Remix)

[Nicole Kidman](#)

I follow the night
Can't stand the light When will I begin?
To live again? One day I'll fly away
Leave all this to yesterday
What more could your love do for me
When will love be through with me
Why live life from dream to dream
And dread the day when dreaming ends One day I'll fly away!
Leave all this to yesterday!
Why live life from dream to dream!?
And dreamt the day when dreaming ends
