

# You Don't Know How It Feels

[Tom Petty](#)

Let me run with you tonight  
I'll take you on a moonlight ride  
There's someone I used to see  
But she don't give a damn for me But let me get to the point, let's roll another joint  
And turn the radio loud, I'm too alone to be proud  
You don't know how it feels  
You don't know how it feels to be me People come, people go  
Some grow young, some grow cold  
I woke up in between  
A memory and a dream So let's get to the point, let's roll another joint  
Let's head on down the road  
There's somewhere I gotta go  
And you don't know how it feels  
You don't know how it feels to be me My old man was born to rock  
He's still tryin' to beat the clock  
Think of me what you will  
I got a little space to fill So let's get to the point, let's roll another joint  
Let's head on down the road  
There's somewhere I gotta go  
And you don't know how it feels  
No, you don't know how it feels to be me
