Gene Machine/Don't Bother Me

Bad Brains

You wanna see me hang around
Don't bother me
You wanna know if I'll get down
Can't you see(Gene Machine)
Stick it in
Shove it up
Are they still humans?
(Dream Machine)
With brown eyes
brown hair
Created scientificallyYou wanna see me hang around
Don't bother me
You wanna know if i get down
Oh can't you see
Come on open up your eyes
Truth is there to see
There is to be in reality(Gene Machine)
Are they issues?
Dial-A-Gene...Buy-A-Gene
Take a second look did one just pass by way?
Gene Machine
Gene Machine
