

Who Do You Think You Are

Sass Jordan

Sun's going down now
I'm one day older, got to spread my wings
Shadows get longer
Still you won't let up grindin' your opinions on things
Over the border
Invadin' my intimate territory
Now, who's the fool here?
Look into the mirror, baby, tell me if you like what you see
Who do you think you are?
Tellin' me how I'm s'posed to run my life
Who do you think you are?
Guaranteed I'll hit the highway
Gonna hit the highway tonight
So you think you're a winner
But you're losin' points with every words you toss
And if you're only human
What gives you the right to be nailin' me up here on your cross
What gives you the right now, Honey
Who do you think you are?
Tellin' me how I'm s'posed to run my life
Who do you think you are?
Gonna hit the highway
Gonna hit the highway tonight
I believe in compassion
I believe in some sympathy
You need self education
Before you get to slammin' what you don't like in me
Hey ya
Woo
Come on, boy
Sun's going down now
I'm one day older, got to spread my wings
And I'm for the highway
God gave me the reason to sing, sing
Who do you think you are?
Tellin' me how I'm s'posed to run my life
Who do you think you are?
Gonna hit the highway
Gonna hit the highway, yeah, yeah
Who do you think you are?
Tellin' me how I'm s'posed to run my life no honey
Who do you think you are?
Gonna hit the highway
Gonna hit the highway
Gonna hit the highway
Gonna hit the highway
Gonna hit the highway

Gonna hit the highway tonight
See ya
