

Euro Trash

Dropkick Murphys

This song goes out to all the trendy,
Spoiled bastards who listen to shitty music!

Euro trash, go away,
So so trendy,
Your pathetic.Euro scumbag,
Champagne and caviar,
Techno bullshit,
Blarin' from your daddy's car.

You are such a mess,
I hate you euro trash.
You try hard to dress like your the best.
Why don't you must go away,
Don't you look down on me.
Go away and stay.

You go down to m-80 tonight,
See through clothing way too tight.
Euro jerk-off who the fuck do you think you are?

Spoiled rich boy,
Fuck your euro bars!
You are such a mess,
I hate you euro trash.
You try hard to dress like your the best.
Why don't you must go away,
Don't you look down on me.
Go away and stay.
Kill! kill! kill!
