Tell My Mother I Miss Her So

Ryan Bingham

Take me to see the voodoo queen

Let her put a spell on me

A little bit of change will ease my pain

Gonna set a young man free Cause I've been down through your hometown

And all across your distant land

One thing's for sure, honey, I'll be gone

Tell my mother I miss her soOh, take me to France, watch me dance

Let me drink that wine

Spinnin' around a dark haired girl

Havin' us a good old time'Cause I've been down through your hometown

And all across your distant land

One thing's for sure, honey, I'll be gone

Tell my mother I miss her so

Tell my mother I miss her soOh, when you can the medicine man

Will let a feather set me free

Out on the range outrunnin' them trains

You're never gonna see me leave'Cause I've been down through your hometown

And all across your distant land

One thing's for sure, honey, I'll be gone

Tell my mother I miss her so Tell my mother I miss her so

Tell my mother I miss her so

Oh, tell my mother I miss her soOh, take me to see the voodoo queen

Let her put a spell on me

A little bit of change will ease my pain

Gonna set a young man free Cause I've been down through your hometown

And all across your distant land

One thing's for sure, honey, I'll be gone

Tell my mother I miss her so Tell my mother I miss her so

Oh, tell my mother I miss her so

Tell my mother I miss her so

Oh, tell my mother I miss her so Tell my mother I miss her so
