Heartache By Numbers

Bryan Ferry

I can't stop from thinking
That love makes no sense
I'm burnt out from dreaming
'Bout nobody elseMidnight to daybreak
I can't believe the pain
The way you look, the way you talk
The way you walk away
Oh, I can't takeHeartache by numbers
From violet to gray
I paint all your colors
I wash them awayI live for the moment
I long for the day
You walk in my garden
You lie in my shadeEvery night I run around
With every girl in town
But I would rather stay at home
If you were still aroundMidnight to daybreak
I'd do it all again
The way you look, the way you talk
I'd be your lover, not your friend
Oh, I can't standHeartache by numbers
From violet to gray
I paint all your colors
I wash them awayI live for the moment
I long for the day
You walk in my garden
You lie in my shadeMidnight to daybreak
I'd do it all again
The way you look, the way you talk
I'd be your lover, not your friend
Oh, I can't standHeartache by numbers
From violet to gray
I paint all your colors
I wash them awayI live for the moment
I long for the day
You walk in my garden
You lie in my shadeHeartache by numbers
From violet to gray
I paint all your colors

I wash them awayI live for the moment
I long for the day
You walk in my garden
You lie in my shade
