Be a Heartbreaker

Justin Guarini

I know your in love
Yeah
Oh BabyHey lady, I know I should be the last one
Who's telling you how to run your life
But I'm feelin' like my conscience won't let it goGotta make a down payment on my karma
Because I know I caused so much drama
I want to make up for all the breakups
And the dreams of love I stoleHey girl, I'm not tryin' to do that to you
I know
So listen, babyBe a heartbreaker every time
'Til you find the one who does you right
Who'll be lovin' you, he'll treat you true
Not sayin', "I hit it now we are through"
Be a heartbreaker, don't compromise
If he ain't about yours, you're wastin' time
'Cause a guy like him want a girl like you
So he can say, "I hit it now we are through"He's a player, can't you see?
He keeps two or three girls on his team
It's his resume, his routine
So, baby girl, listen to meGirl, you should be thinking 'bout his ways
'Cause it's too late for him to change
Now when other guys come spinning game
Want you to know, you're being playedHey girl, I'm not tryin' to do that to you
I know
So listen, babyBe a heartbreaker every time
'Til you find the one who does you right
Who'll be lovin' you, he'll treat you true
Not sayin', "I hit it now we are through"
Be a heartbreaker, don't compromise
If he ain't about yours, you're wastin' time
'Cause a guy like him want a girl like you
So he can say, "I hit it now we are through"I'm not saying that you ain't up on game
I'm comin' straight, I'm tryin' to make it plain
His nature is to do the things he'll do
He'll break your heart in two, yeah
He ain't cool for you
Hey girl, I'm not tryin' to do that to youOoh ooh ooh ooh, aye
Ooh ooh ooh ooh, aye
Ooh ooh ooh ooh, aye

...Be a heartbreaker every time
'Til you find the one who does you right
Who'll be loving you, he'll treat you true
Not sayin', "I hit it now we are through"
Be a heartbreaker, don't compromise
If he ain't about yours, you're wastin' time
'Cause a guy like him want a girl like you
So he can say, "I hit it now we are through"Be a heartbreaker every time
'Til you find the one who does you right
Who'll be loving you, he'll treat you true
Not saying, 'I hit it now we are throughOoh ooh ooh ooh, ay
Not saying, 'I hit it now we are through
