# Singing Through the Rain

SINGING THROUGH THE RAIN

Ever since the day I let Your love begin to shine in my life
Things have never been the same cos now I have a reason to smile
And now I want my whole world to know
I want to let my feelings show
Even when it rains thereâ€™s no reason to complain
Cos I still have the Sun in my heart

Chorus:
Youâ€™ve got me singing through the rain with a smile on my face
Telling all the world that I love You (love You)
Singing through the rain
Youâ€™ve got me smiling again

When I get discouraged and the clouds begin to cover the sky
You fill me with Your love and I can leave this stormy weather behind
And now I want my whole world to know
I want to let my feelings show
Even when it rains thereâ€™s no reason to complain
Cos I still have the Sun in my heart

(Repeat Chorus)

Now I want my whole world to know
I want to let my feelings show
Even when it rains thereâ€™s no reason to complain
Cos I still have the Sun in my heart

(Repeat Chorus)
