

What More Can I Say (Cyclical Version)

The Notations

You're hurting me, baby.
You don't know what it feels like.
One day you love me
(You love me)
And you just you disappear from sight
And oh I'm trying. So very far
To tell you that I
Love you
What more can I say
(What more can I say)
What more can I say
What more can I say
People try to tell me
(I wouldn't listen)
That you weren't the one.
Now time has past
Ooh girl
The worst time's over
And oh I'm trying so very hard
(So very hard)
To find a way to tell you
I love you
What more I can say?
(What more can I say?)
What more can I say
