

The Lost Get Found (Karaoke Version)

Britt Nicole

Hello my friend, I remember when you were
So alive with your wide eyes
Then the light that you had in your heart was stolen
Now you say that it ain't worth sayin'
You wanna run but you're hesitatin', I'm talkin' to me
Don't let your lights go down
Don't let your fire burn out
'Cause somewhere
Somebody needs a reason to believe
Why don't you rise up now?
Don't be afraid to stand out
That's how the lost get found
The lost get found
So when you get the chance, are you gonna take it?
There's a really big world at your fingertips
And you know you have the chance to change it
There's a girl on the streets, she's cryin'
There's a man whose faith is dyin', love is callin' you
Don't let your lights go down
Don't let your fire burn out
'Cause somewhere
Somebody needs a reason to believe
Why don't you rise up now?
Don't be afraid to stand out
That's how the lost get found
The lost get found
Why do we go with the flow
Or take an easier road?
Why are we playin' it safe?
Love came to show us the way
Love is a chance we should take
I'm movin' out of the gray
Don't let your lights go down
Don't let your fire burn out
'Cause somewhere
Somebody needs a reason to believe
(Stand out)
Don't let your lights go down
Don't let your fire burn out
(Stand out)
'Cause somewhere
Somebody needs a reason to believe
Why don't you rise up now?
Don't be afraid to stand out
That's how the lost get found
The lost get found
So when you get the chance
Are you gonna take it?
There's a really big world at your fingertips

And you know you have the chance to change it
