

Just A Kiss

School Gyrls

Oh, it's just a kiss
Oh oh, it's just a kiss
Boy you're stepping in the danger zone
If you keep it up, you're gonna be on your own
We got rules so you better check check
Yourself before you blow it all, so
Help me now, figure out, why you're really here
And all the girls say aye aye
Back off boys cause you know we're just playing
And all the girls know, oh oh
How to have fun and you're getting in the way, so
Get back, get back, get back, get back
It's just a kiss, I'm more than that
And all the girls say, aye hey yeah
Don't you wish, don't you wish?
But it was just a kiss
It was just a, it was just a kiss
When you gonna go and let it be?
I keep on showing you but you just don't believe
We're not the kind of girls
That jump, yes that's a no
We shouldn't have to spell it out for you
So help yourself, figure out, why your really here
And all the girls say aye aye
Back off boys cause you know we're just playing
And all the girls know, oh oh

How to have fun and you're getting in the way, so
Get back, get back, get back, get back
It's just a kiss, I'm more than that
And all the girls say, aye hey yeah
Don't you wish, don't you wish?
But it was just a kiss
Ah ah don't you wish?, ah ah don't you wish?
Ah ah don't you wish?, ah ah don't you wish?
You think you know but you're not in the girl's room
Acting like a fool but it's all in the attitude
It's like a dance that we do
When we flirt, text some dirt

It's how we work and you really know
It's just a kiss
And all the girls say aye aye
Back off boys cause you know we're just playing
And all the girls now, oh oh
How to have fun and you're getting in the way, so
Get back, get back, get back, get back
It's just a kiss, I'm more than that
And all the girls say, aye hey yeah
Don't you wish, don't you wish?
But it was just a kiss
Don't you wish? (ah ah don't you wish?)
Don't you wish? (ah ah don't you wish?)
Don't you wish? (ah ah don't you wish?)
Don't you wish? but it was just a muah
