

# Breathless

## Better Than Ezra

Here you are now, fresh from your wars  
Back from the edge of time  
And all that you were, stripped to the bone  
I thought you'd want to know When you feel the world is crashing  
All around your feet  
Come running headlong into my arms  
Breathless I'll never judge you  
I can only love you  
Come now running headlong into my arms  
Breathless Lay down your guns, too weak to run  
Nothing can harm you here  
Your precious heart, broken and scarred  
Somehow you made it through  
I only ask that you won't go again When you feel the world is crashing  
All around your feet  
Come running headlong into my arms  
Breathless I'll never judge you  
I can only love you  
Come now running headlong into my arms  
Breathless, oh, breathless So glad to see you smiling  
So good to hear your laugh  
I think that you've found you  
Even missed yourself I'm only asking this because  
I think that truth be told  
Oh, you'll never go again  
Again When you feel the world is crashing  
All around your feet  
Come running headlong into my arms  
Breathless I'll never judge you  
I can only love you  
Come now running headlong into my arms  
Breathless, breathless
