

# Walk Away

Meredith Brooks

Got a lot to say but I couldn't get it in  
And we couldn't get along so it got in the way  
I'll give you the spin and you couldn't even talk  
But you never give in  
Yeah, I can fight with the best of them  
And we've gone a few rounds and I shed a new light  
And I counted to ten but it didn't seem to matter  
You just wanted to win  
I won't let you drag me in  
I know you enjoy the pain  
Oh, you won't feel anything  
Well I don't play that way  
It's a sure bet  
The last thing you're ever gonna to hear from me  
Are my footsteps  
As I walk away  
You've tried everything  
To keep me comin' back  
Oh, but I'm spent  
As I walk away  
One thing's for sure last thing you're  
Ever gonna hear from me  
Are my footsteps  
As I walk away, oh may be  
You love to fight and I couldn't get through  
And your blood is runnin' hot makes you feel alive  
In everything you do and you want it that way  
I can't abide by you  
Look at the time, I guess it went to waste  
But I'm good to go, I gotta toe the line  
I'll make mistakes but I still got a chance  
I'm gonna take  
Everything you said  
Is like a kick in the head  
Don't count me out just yet  
Place your money here instead  
It's a sure bet  
The last thing you're ever gonna to hear from me  
Are my footsteps

As I walk away  
You've tried everything  
To keep me comin' back  
Oh, but I'm spent  
As I walk away  
One thing's for sure last thing you're  
Ever gonna hear from me  
Are my footsteps  
As I walk away  
Can't even tell me that you want me  
But this time, it's just all right  
Something that you'll face in the mornin'  
But baby if you want when I close this door  
I'll leave on the light, yeah yeah  
It's a sure bet  
The last thing you're ever gonna to hear from me  
Are my footsteps  
As I walk away  
You've tried everything  
To keep me comin' back  
Oh, but I'm spent  
And I walk away  
I walk away, yeah yeah  
I walk away, yeah yeah yeah  
Yeah yeah yeah  
But I walk away
