

# Singing The Blues

## The New Orleans Jazz Vipers

Well, I never felt more like singing the blues  
And I never thought that I'd ever lose  
Your love  
Why did you do me this way?  
Well, I never felt more like crying all night  
Everything's wrong but nothing is right  
Without you  
You've got me singing the blues  
Well, the moon and the stars, no longer shine  
The dream is gone, I thought was mine  
There's nothing left for me to do  
But cry over you, cry over you  
Well, I never felt more like running away  
And why shouldn't I go 'cause I couldn't stay  
Without you  
You've got me singing the blues  
Well, the moon and the stars, no longer shine  
The dream is gone, I thought was mine  
There's nothing left for me to do  
But cry over you, cry over you  
Well, I never felt more like running away  
And why shouldn't I go 'cause I couldn't stay  
Without you  
You've got me singing the blues  
Mr. Paul Wiggins, come on Paul  
Well, the moon and the stars no longer shine  
The dream is gone I thought was mine  
There's nothing left for me to do  
But cry over you, cry over you  
Well, I never felt more like running away  
And why shouldn't I go 'cause I couldn't stay  
Without you  
You've got me singing the blues  
You've got me singing the blues  
You've got me singing the blues, ooh
