

Is This Really Happening to Me?

Phantom Planet

Here we go something tells me
That I've been here before
I don't know if I'm dreaming
And I can't say much more I just don't know, tell me please
Is this really happening to me?
Is this really happening to me? Ba, ba, ba, ba
Is this really happening to me?
Ba, ba, ba, ba
Is this really happening to me? Turn on the lights, could you kiss me
If I screamed very loud?
Spun my life, could you tell me
If I'm kissing you now? I just don't know, tell me please
Is this really happening to me?
Is this really happening to me? Ba, ba, ba, ba
Is this really happening to me?
Ba, ba, ba, ba
Is this really happening to me?
