

Exo-politics

Muse

Open the skies over me
I am waiting patiently
I'll wait for a sign
As conspiracies unwind
Will you slam shut or free your mind
Or stay hypnotized
When the zetas fill the skies
Will our leaders tell us why?
Fully loaded satellites
Will conquer nothing but our minds
And I am waiting patiently
And I'll wait for the sign

Carried through the centuries
Secrets locked up and loaded on my back
Well, it weights me down
When the zetas fill the skies
It's just our leaders in disguise
Fully loaded satellites
Will conquer nothing but our minds
And I am waiting patiently
And I'll wait for the sign, yeah
And I am waiting patiently
And I'll wait for the sign
