Reverse (Penthox Remix)

SomeKindaWonderful

She hung the phone and I said fuck you it's over
Sorry but this is the end
I said don't trip it was just a harmless sleepover
See, we're just was making friends
She said "then what were you doing there in four in the morning?
You told me you were at home"
I started with "darling please listen"
And then I picked up my phone, yeahI told my story in reverse 'cause it hurts
Girl it hurts too much to bare
But I'm tantalized by their legs and long hair
But if I could do it again
I would do it again!
If I could do it again
I would do it again!
If I could do it again
Probably do it again!
Could I get a do-over?
Baby, ooh oh
Hey! Ooh ohI plugged my phone in as I backed out the driveway
Then I started my car
Slipped out the door after I crept through her hallway
She left it slightly ajar, yeah
Threw on my kicks my socks my jeans and my t-shirt
Then threw my hat on my head
I did it quiet so that I wouldn't wake her
Woke up in another girl's bed, yooI tell my story in reverse 'cause it hurts
Girl it hurts too much to bare
But I'm tantalized by their legs and long hair
But if I could do it again
I would do it again!
If I could do it again
I would do it again!
If I could do it again
Probably do it again!
Could I get a do-over? Over!I told my story in reverse 'cause it hurts
Girl it hurts too much to bare
But I'm tantalized by their legs and long hair
But if I could do it again
I would do it again

If I could do it again
I would do it again
If I could do it again
Probably do it again
Could I get a do-over? Over!
Yeah, oohI told my story in reverse 'cause it hurts
Girl it hurts too much to bare
But I'm tantalized by their legs and long hair
But if I could do it again
I would do it again
If I could do it again
I would do it again
If I could do it again
I would do it again
Could I get a do-over?
It's over
