

The Ruler

Kreayshawn

Uhm, can I have my gold please?
May I have my gold please?
Thank you. Gold watch
Gold chain,
Keep 'em starin' uh
You can recognize me from my gold earrings.
Fuck your paper, that's some old shit
Call it golden girls
Now that's an old bitch.
Gold dipped in my open face shinin' out
I get so much gold, it's drippin' out my mouth.
Fuck your bank account,
I'm in a gold house
And I'm snortin' gold, and
Smoking brussel sprouts.
I got a mouth full of gold
I'm bout to throw up
And my pinky ring frozen just to show off
Fuck your bottle, we're sippin'
Fourtays!
So much gold around my neck
They callin' me slick rick the ruler!
Slick rick the ruler, yeah.
Slick rick the ruler, yeah.
The ruler, the ruler.
Slick rick the ruler, yeah.
Slick rick the ruler, yeah.

The ruler, the ruler.
Now she digs gold, she layin miner
She wears lace panties with the gold linin'
Her hair blondie, and she shakin' ass
Her chain real gold, it get takin' real fast
Gold beach, gold wave
We hanging ten, I live the golden life
With my golden friends.
Yeah, gold dust gold goose
That's the golden shower

The ruler, the ruler. I thought I died, but I came back to life
I was in a gold case that preserved my life
Now I'm back again
On the streets with a gold chain from the 70's.
Super planetary, mega stellar
Hydrostatic gold plated 22's with the platinum automatics
Gotta have it
Got to get it, by any means
We don't come in secons,
We are the golden team! I got a mouth full of gold
I'm bout to throw up
And my pinky ring frozen just to show off
Fuck your bottle, we're sippin'
Fourtays!
So much gold around my neck
They callin' me slick rick the ruler!
Slick rick the ruler, yeah.
The rrrrruler, the rrrrruler.
So much gold around my neck
They callin' me slick rick the ruler!
Slick rick the ruler, yeah.
