Boyhunter

Skye Sweetnam

Get on your knees, hands up, get em' up
Get on your knees, hands up, stick em' up
Get on your knees, hands up, get em' up
Get on your knees, hands up, stick em' up
Damn, I didn't do it, no, I never did it
No, I swear it's an accident
My weekend hobby, yeah, no one stop me
Was out in my truck at night and I said
Get on your knees, hands up, boys
I just love sayin' that, I'll say it again
Get on your knees, hands up, boys
That's right, that's right
Was only aiming, was only pointing
But I was only looking, looking
?Cause I'm a boyhunter, a boyhunter, a boyhunter
I need a boy tonight
Get on your knees, hands up, boys
I just love sayin' that, I'll say it again
Get on your knees, hands up, boys
That's right, that's right
Good looking, good looking
Mad shocking, mad shocking
Hard rocking, hip hoppin'
Boy, tonight, get ?em up
I couldn't help it, just couldn't stop it
Guess something must've come over me
My midnight joyride caught you in headlights
I had to take you home with me and I said
Get on your knees, hands up, boys
I just love sayin' that, I'll say it again
Get on your knees, hands up, boys
That's right, that's right
Was only watchin', was only wonderin'
Yes, I was only looking, looking
?Cause I'm a boyhunter, a boyhunter, a boyhunter
I need a boy tonight
Get on your knees, hands up, boys
I just love sayin' that, I'll say it again
Get on your knees, hands up, boys

That's right, that's right
Get on your knees, hands up, get em' up
Get on your knees, hands up, stick em' up
Get on your knees, hands up, get em' up
Get on your knees, hands up, stick em' up
Sing, diddy, diddy, baby, don't act dumb
Get on your knees, put your hands up when I come
Skye and I, seeking you out for your tongue
You try to run and I hunt you down but I?m okay
Hey, I look so good
Try to hide from us, boy, I wish you would
Hop in my ride, take you far in the woods
And let you bury your bone like a big dog should
Get on your knees, hands up, boys
I just love sayin' that, don't make me say it again
?Cause I'm in it to win, I'm just dissin? my aim
Hunt you down, turn you into a man
Was only aiming, was only pointing
But I was only looking, looking
?Cause I'm a boyhunter, a boyhunter, a boyhunter
I need a boy tonight
Get on your knees, hands up, boys
I just love sayin' that, I'll say it again
Get on your knees, hands up, boys
That's right, that's right
This is a stick up
Put your hands up
I?m coming in your town
Gonna bust it down
Get on your knees, hands up, boys
I just love sayin' that, I'll say it again
Get on your knees, hands up, boys
Hunt you down
