

# Wait for Life (feat. Lana Del Rey)

## Emile Haynie

Why you make me work so hard  
To put on that evening show  
When you know that all I want  
Is to make your money grow  
You're like a baby  
Who don't got nowhere to go  
I feel you eying me  
You keep it on the low

But I can't let you in  
And I can't keep you out  
I wait for life to win  
But it never comes around  
And I can't hear you call  
And I can't hear me shout  
I wait for it to break  
But it never comes around

Don't know me  
I'm lonely  
I'm lonely

Why you make me take that shit  
To put on that evening show  
When you know I don't need it  
Better than your booze and blow  
You're like a baby  
Don't know better, you don't know  
You drag me down  
You try to keep it on the low

Feel like I'm falling apart  
Feel like I'm falling apart  
Feel like I'm falling apart  
Would you tell me?  
Would you tell me?  
Would you tell me?
