

Make It Hot (With Yacht) [All Over Mix]

Mirah

The door is jammed
The door slammed shut
And i wait for the sound
Wait for the sound There is one addiction
I like to keep the power and the heat Make it hot
Take me over and over and over
Make it hot
Take me over and over and over The snow falls
The snow's all ugly
When it hits the street
When it hits the street It gets colder
Arms and shoulders Who would've guessed it?
C'mon and feel me flex it
Who would've guessed it?
C'mon and feel me flex it Make it hot
Make it hot
Make it hot
Take me over and over and over
