Hide Myself In You

Corby LaCroix

VERSE 1:
Lord I cry out to Thee, come swiftly to me
Light the darkness of my ways
Hear the prayer I bring You, Lord Iâ€™m offering You
A feeble sacrifice of praise
But by Your mercy, by Your grace

CHORUS:
God, my eyes are fixed on You
For Your Word stands firm and true
You have been my shelter and my sovereign Lord
So I hide myself in You I will hide myself in You

VERSE 2:
Holy Spirit use me, though the world pursues me
Seeking to upset Your plan
But let each day bring word of, faithfulness unheard of
And the power of Your hand
By Your mercy I will stand

BRIDGE:
For You know my name, and You recognize my voice
When suffering remains, with a joyful noise, still I will rejoice
