## **Soul Power (Black Jungle)**

## **Wu-Tang Clan**

Two thousand and two
Lookin' like a tennis player
Representin' the Wu
You gangsta nigga?
Two thousand and two
You? You isn't
Representin' the motherfuckin' Wu
Stand for it right now

Two thousand and two, you know how we do

For you and your crew, representin' the motherfuckin' WuAiyyo catch me coolin' in Aruba, one sneaker on Lookin' raw beautiful, a blue ruger, who you lookin' at?

Six hundred whale, steel color, Brazil love us
Y'all niggaz is fake, all y'all do is steal from us
Remember this line, I'm that nigga word to my mother
Slap one of y'all fake ass niggaz

Reefer from Egypt daddy we rock Magnums
All big niggaz heavy on the wrist play diss niggaz
Ghost story blow 'em, RZA throw the fork through 'em
Me, wonder woman cousin, jewelried out, talk to him
Hammers that bust endlessness, cover terrorism what?
Slide in the seven, measure the whipsIt's soul power

Two thousand and two
Soul power
You know how we do
Soul power
For you and your crew
Soul power
Representin' Wu
Soul power
You know how we do
Soul soul power
Two thousand and two

Soul power
For you and your crew
Soul power

Representin' WuI'm a dollar and a dream from seein' a brick In grimy hallways, slingin' nicks and treys When it's on then it's on and poppin, shots lickin' I'm spittin' this shit for the hood, glock clickin' Tension in the street, we stressed, still wanna eat
I walk through the valley of death, the hotstepper
Holdin' red pepper, everybody on reach
I need a beat to expand, the mind guide the hand
Pen stroke, excellent quotes of literature
'Nights over Egypt', 'Black as Arabia'
'Gundeliro', self I savior, I need the Soul power

You know how we do

self I savior, I need the So You know how we do Soul power For you and your crew Soul power Representin' Wu Soul power You know how we do Soul soul power Two thousand and two Soul power

For you and your crew
Soul power

Representin' WuAiyyo, aiyyo Aiyyo I got the whip smellin' like lemon Roger Clemence Jerseys, the man blew Seven cold coolies in the worthy and I crush those rappers, keep the toast near the radiator We like our guns warm, it's easier to make the papers Stayed off, the cape came off, ghost g'd off The track's like doin' six months and I'm a beat off At the airport attention always flow in my direction like You let the best then sparkle his perfection and Bitches be askin' them, ghost you got so much shit You need to cash in, bracelets matchin' 'emYo, yo Line Cadillacs to blocks, Richard Pryor, Redd Foxx Jukebox records, flatfooted cops Get automatic systematic jumpin' in your socks Mama's apple pie in the park hopscotch Reunited on the radio, Wu-Tang superb

Mama's apple pie in the park hopscotch
Reunited on the radio, Wu-Tang superb
In the sprinklers girls double dutchin on the curb
Sinatra, the pop the Jackson Five recordings
Uptown saturday, cotton came to harlem
Ringmaster circus was, bailey and barnum
Crack a Coca Cola, summer heat was my boredom
Dr. Lbefore Jordan, Al Green on the organ

Dr. J before Jordan, Al Green on the organ
When rerun did the dance, the whole world saw him
The blackout fears, Foxxy Brown, Pam Grier
Ford motor gear, your life and times queer

## "Smokey the bear", Burt Reynolds gray hair

Throw 'em some gems, throw up your fists and say yeah, it's It's soul power

Two thousand and two

Soul power

You know how we do

Soul power

For you and your crew

Soul power

Representin' Wu

Soul power

You know how we do

Soul soul power

Two thousand and two

Soul power

For you and your crew

Soul power

Representin' Wu{I'm the nigga that got you talkin' bout "Fight the power".

Aye yo Flav!

Whassup Meth?

What you know about niggaz from Long Island right?

Huh?

True Long Island right?

All my life

All your life right?

All my life

Westbury

Word up, Freeport, Long Island, Roosevelt, Long Island

And and an an and went through Westbury too

You from Westbury?

Nah I got family in Westbury, New Castle Park and them

Oh stop jokin, I ain't know that

You from Hempstead? Yo man, my family from Hempstead, the Heights Man

Yeah

Word up, come on man

Oh, what?

Hundred Terrace Avenue

Stop jokin, the El Dorados, nigga what?

I got family up in El Dorados right now nigga word

That's where I'm from, that's my block

That's my block right there! Aye yo!

That's right y'all, that's right, it's all good

Me and method man from the motherfuckin' hood

So get it from the bricks to the fuckin' wood

Yeah niggaz

Know what I mean? Word up to the bird up

They caught the bird, made him soup, now I sip from out my cup  $\label{eq:Nigga} Nigga$ 

Oh yo man you just hit me in the head with a brick for real
You got me bleedin' from the side of the head Meth
You're a beautiful fuckin' person
Yo Meth, yo Meth.
Yo check one two
Without me havin' my finger in the plug
I'm gettin shocked anyway, hahaha}
