

# I'm the Reason

## Day26

Advisory - the following lyrics contain explicit language:

You don't understand there's no equivalent to me  
Check my qualities, in my back pocket got affection  
Not to mention the thug in me, you gotta see But I don't think you know, who really runs the show  
It was just about sex, I am worth a little more  
I was holdin you down, thought I would stick around  
But you were just to blind to see, girl I Chorus:  
I know this, if I don't know nothing  
I know one thing for sure  
I know that I'm the reason  
You're walkin like you're walkin  
You're talkin how you're talkin  
But you act like you don't know what I've done for you Girl I got some plans for us, take a trip overseas for us  
To a foreign land, cuz I was your man  
Girl, I was changing you  
But now its too late for you, girl I ain't no fool  
But I don't think you know I don't think you know, who really runs the show  
It was just about sex, I am worth a little more  
I was holdin you down, thought I would stick around  
But you was just to blind to see, girl I Chorus:  
I know this, if I don't know nothing  
I know one thing for sure  
I know that I'm the reason  
You're walkin like you're walkin  
You're talkin how you're talkin  
But you act like you don't know what I've done for you When you was mine, all of this time,  
Best time of your life, baby  
But now [somethin somethin] girl  
Cuz you act like you don't know  
That's why I had to let you go  
I don't understand why you're walking different  
Why you're talking different Chorus 3x:  
I know this, if I don't know nothing

I know one thing for sure  
I know that I'm the reason  
You're walkin like you're walkin  
You're talkin how you're talkin  
But you act like you don't know what I've done for you
