I Just Wanna Be God

Alice Cooper

I'm in control, I got a bulletproof soul
And I'm full of self-esteem
I invented myself with no one's help
I'm a prototype supremeI sit upon my private throne
And run my lifestyle all alone
Me, myself and I agree
We don't need nobody elseI never learned to bow, bend or crawl
To any known authority
I really wanna build my statue tall
That's allI'm just trying to be God
I only wanna be God
I just wanna be God
Why can't I be God?I got no time to take advice
I want to gamble with my eternity with loaded dice
I don't need a preacher in my face
When I'm the omnipresent ruler of the human raceAin't gonna spend my life being no one's fool
I was born to rock and I was born to rule
But if I'm wrong on Judgment Day
I'm royally screwed with hell to payI never learned to bow, bend or crawl
To any known authority
I really wanna build my statue tall
That's allI'm just trying to be God
I only wanna be God
I just wanna be God
Why can't I be God?I'm just trying to be God
I only wanna be God
I just wanna be God
Why can't I be God?I'm just trying to be God
I only wanna be God
I just wanna be God
Why can't I be God?I'm just trying to be God
I only wanna be God
I just wanna be God
Why can't I be God?
