

# Ball And Chain

[Aldo Nova](#)

How many nights, how many days do I wait here for you  
Have you long forgotten all the things we'd said  
And how many times must I let the phone ring, just to get you  
Could it be that now this love has long gone dead No oh No - Thought it hasn't been so long  
No oh No - I'm sure you're feelin's gone and then Love, Love feels like a ball and chain  
What a fool I've been to fall in love again  
Love, Love when will it ever end  
I don't think that I can ever love again Well how many nights, have I stayed by the phone just to hear from you  
and  
Could it be that I just wanna hear you say  
That all of this time you'd been thinkin' alone  
Wonderin' what to do  
And that I love you is all you wanna say Love, Love feels like a ball and chain  
What a fool I've been to fall in love again  
Love, Love when will it ever end  
I don't think that I can ever love again No oh No - Thought it hasn't been so long  
No oh No - I'm sure you're feelin's gone and then Love, Love feels like a ball and chain  
What a fool I've been to fall in love again  
Love, Love when will it ever end  
I don't think that I can ever love again  
I don't think that I can ever love again Cause your love is like ball and chain
