

# Wango Tango

Jake E. Lee

All right! It's zee Wango, zee Tango

1-2-3-4

Come on boys

Time to Wango

My baby she like to rock

My baby she like to roll

My baby she can dance all night

My baby got no control

She do the Wango Tango

My baby she can scream and shout

My baby she can move it out

My baby she can take a chance

My baby got a brand new dance

Wango Tango

Wango Tango

It's a Wango Tango

Ooooh yeah!

Baby!

My baby like to rock

My baby like to roll

My baby like to dance all night

She got no control

She do...

Wango Tango

Wango Tango

Wango Tango

Ooooh yeah!

Baby! Baby! Baby! Ooooh I like the way you look baby

You look like you're made for me honey

If you wanna take a little chance

I'm gonna show you a new dance

Baby I gotta Wango down one time with you honey

I like it, I like it, I like it, I like it, I like it

Well, it's a brand new dance

It been sweepin' the nation

I said a brand new dance

A rock 'n' roll sensation

Yeah I like it baby, I do it every night

I got to do it 'cos I like it so good

Oh honey believe it baby  
You see it's a crazed gyration of the rock generation  
It's my motivation to avoid the nauseation, frustratio  
When I need some lubrication - Baby!  
Kinda like, goes kinda like this

You take her right ankle out  
You take her left ankle out  
You get her belly propped down  
You get her butt propped up  
Yeah lookin' good now baby  
I think you're in the right position now baby  
I'm gonna get a little talcum  
I'm gonna borrow it from Malcolm  
Yeah you look so good baby I'm startin to drool all over myself  
I got salivate late, salivate late, salivate late  
I got the droolin', droolin', get all wet, salivate, salivate  
Got salivate, salivate, salivate, salivate, heh heh heh  
Yeah you look so good baby, I like it, I like it, I like it  
You know what I been talkin' about honey  
It's a nice dance, we gotta a nice dance goin' here  
Now what you gotta do, I'll tell you what you gotta do  
You got to pretend your face is a Maserati  
It's a Maserati  
It's a Maserati  
It's a gettin' hotty  
It's a Maserati, Maserati, Maserati  
It's a fast one too man, that thing's turbocharged  
You feel like a little fuel injection honey?  
I'll tell ya about it, I'll tell you about it  
I gotta get that hood scoop off, shine and shine and buff  
I'll check out the hood scoop  
I gotta buff it up, buff it up, buff it up, buff it up, buff it up,  
Yeah, shiny now baby, heh heh heh  
You've been drivin' all night long  
It's time to put the old Maserati away  
So you look for a garage, you think you see a garage  
Wait a minute, Hey!, there's one up ahead  
And the damn thing's open  
Hello! Get in there!  
Is my baby alive? (Is my baby alive?)  
Is my baby alive? (Is my baby alive?)  
Is my baby alive?  
She Wango'd to death  
Wango Tango (Wango Tango)

Wango Tango (Wango Tango)  
Wango Tango (Wango Tango)  
    Wango Tango  
Wango Tango (Wango Tango)  
    Wango Tango  
    Wango Tango  
    Wango Tango  
    Wango Wango  
    Tango Tango  
Wango Wango Wango Wango  
    Tango Tango Tango Tango
