Oh, No

Shivaree

Oh, NoI think I love you
I think I love you
I think I love you
Oh noI think I want you
I think I want you
I think I want you
Oh noI think I'll wreck you
I think I'll wreck you
I think I'll break you in two
Oh noI think I'll eat you
I think I'll eat you
I think I'll eat you alive
Oh no.
