Time

Sly & The Family Stone

Time
Needs another minute
(at least)

Take your time
But you've got a limit

That girl looks forward to another meetin'
Just like everydaypeoplelknow look forward to another simple greetin'
Time
A bear in the woods looks forward to hibernatin'
Just any ol' player you know all he needs is a ratin'

Time is education
Even when they tell you it's sophistication

You know that time
Needs to be a little longer
Oh time!

The universe needs to be a little stronger

Time they say is
The answer

But I don't believe it
Time
