

# On & On

## Rebecca Ferguson

All the songs I've sung you  
More often than you know  
Cuz your the love that I've.....  
More often then I let it show.And I wish you would leave me.  
And I wish you would go  
And I wish you didn't need me  
And I wish I didn't love you so.Chorus  
Cuz I just can't go on  
So please don't do me wrong  
No I won't do you harm  
My love for you goes on and on.There's no one else I wan't beside you  
Give me your coldest sholder to cry upon  
You know that anywhere I'd find you  
You know that your my anything I rely on.And I wish you wouldn't leave me  
And I wish you wouldn't go  
And I wish you didn't need me  
And I wish I didn't know..That I just can't go on  
So please don't do me wrong  
No I won't do you harm  
My love.... goes on and onGoes on and on (repeats several times)No I just can't go on  
So please don't do me wrong  
No I won't do you harm  
My love.... goes on and on
