

# D Is For Dangerous

Allison Iraheta

A is for all I want  
B is for badly  
C is for can't you stay longer  
Cause I want you so madly  
E is for no escape  
Cause I don't wanna leave you  
F is for falling to  
Fast with no parachute, ohAnd who's gonna save me now  
NowYou're taking me under  
Stolen my thunder  
And I think I'm all out of fight  
I want you to win  
All that I ever was  
Is burning in this lust  
You love is a weapon  
And it's turning me to dust  
D is for dangerous  
D is for dangerousG's for get outta here  
It's really too much  
H is for how do I leave  
When I'm addicted, you're  
I is for insane  
It smells like danger  
J is for jump off the ship  
Oh the strong will take youAnd who's gonna save me now  
Don'tYou're taking me under  
Stolen my thunder  
And I think I'm all out of fight  
I want you to win  
All that I ever was  
Is burning in this lust  
You love is a weapon  
And it's turning me to dust  
D is for dangerous  
L is for I can leave  
Oh, 'cause I'll never make it

If I'm not living on the edge  
M is for the rest  
Let's just forget this  
Cause I'll never walk out of this You're taking me under  
Stolen my thunder  
And I think I'm all out of fight  
I want you to win  
All that I ever was  
Is burning in this lust  
You love is a weapon  
And it's turning me to dust  
D is for dangerous  
D is for dangerous  
D is for dangerous  
D is for dangerous
