

# Boom Boom Goes the Day

[Sean Hayes](#)

Days like today  
try and plan they go their own way  
Boom boom goes the day  
hear the radio, TV, newspaper  
Skyscraper on the pavement  
Hey, hey, hey...Everyone says just a little word wrong  
Everyone says just a little word wrong  
you're in babylonBoom boom goes the day  
hear the radio, TV, newspaper  
Skyscraper on the pavement  
Hey, hey, hey...  
Everyone says just a little word wrong  
Everyone says just a little word wrong  
you're in babylon  
This here babylon  
Oh, babylon...
