Tell Me This Night Is Over

Carola

Why should it be so bad to be bad,
When it's so hard to be anything at all?
And why does everyone seem to forget
What it's like to be all alone
As soon as they
Have got someone, oh it's no fun
It makes me wanna vanish and die
Maybe I'll throw all my clothes
Into a waterfall
And sit and spy whilenthey all cry
You get so silly when you're lonely
And you think that you're the only
Who'll say:I hope that someone's gonna call
And tell me this night is over
'Cause I wanna start living my life
Before I get much olderI hope that someone's gonna call
And tell me this night is over
'Cause I wanna start living my life
Before I get much olderMaybe you all would consider it a joke
If I say that I hate myself
But now and then
When I look into the mirror
All I see is a big mistake
(And wouldn't you)
Well, I just wanna be fun
Just wanna be the one
Who makes you smile
I just wanna believe
That I could be something to someone
Am I the only one around here,
Who's not gonna live my life in fear?I hope that someone's gonna call
And tell me this night is over
'Cause I wanna start living my life
Before I get much olderTell me it's over
Tell me it's overI don't understand you!
And why would you?
Can you tell me
What is on my mind?
I don't have words to say

How much I think I owe you,
We ain't gonna live our lives in fear...I hope that someone's gonna call
And tell me this night is over
'Cause I wanna start living my life
Before I get much olderI hope that someone's gonna call
And tell me this night is over
'Cause I wanna start living my life
Before I get much older
