

# Tell Me This Night Is Over

Carola

Why should it be so bad to be bad,  
When it's so hard to be anything at all?  
And why does everyone seem to forget  
What it's like to be all alone  
As soon as they  
Have got someone, oh it's no fun  
It makes me wanna vanish and die  
Maybe I'll throw all my clothes  
Into a waterfall  
And sit and spy while they all cry  
You get so silly when you're lonely  
And you think that you're the only  
Who'll say: I hope that someone's gonna call  
And tell me this night is over  
'Cause I wanna start living my life  
Before I get much older I hope that someone's gonna call  
And tell me this night is over  
'Cause I wanna start living my life  
Before I get much older Maybe you all would consider it a joke  
If I say that I hate myself  
But now and then  
When I look into the mirror  
All I see is a big mistake  
(And wouldn't you)  
Well, I just wanna be fun  
Just wanna be the one  
Who makes you smile  
I just wanna believe  
That I could be something to someone  
Am I the only one around here,  
Who's not gonna live my life in fear? I hope that someone's gonna call  
And tell me this night is over  
'Cause I wanna start living my life  
Before I get much older Tell me it's over  
Tell me it's over I don't understand you!  
And why would you?  
Can you tell me  
What is on my mind?  
I don't have words to say

How much I think I owe you,  
We ain't gonna live our lives in fear...I hope that someone's gonna call  
And tell me this night is over  
'Cause I wanna start living my life  
Before I get much olderI hope that someone's gonna call  
And tell me this night is over  
'Cause I wanna start living my life  
Before I get much older
