Good luck charm

DJ Finnesse

Every time that something good happens in my life
You're always there for me, looking good by my side
Picture you now, pullin' up your pantyhose
And you always got that sexy underwear onSo much good has come my way since she came in my life
I'll never push you away or brush you off to the side
See girl I see my luck has changed for the betterSee I got so much love for you in these arms
Don't you know that you're my good luck charm?
Where you are, forever, girl, ain't no harm
Ain't nobody else can run with, I won't allow itSo much love for you in these arms
Don't you know that you're my good luck charm?
Lovin' you forever girl
And never do I wanna go without my good luck charmLike a rabbit's foot on keys or some lucky dice
All I want and need, I ain't gotta ask twice
Where would I be? What would I do
Without you looking out for me?
Probably be, probably be in these streetsWithout you in my life my future ain't the same, no
And I'm not wanting the blame
Baby I, know I been around, I'm tired of messing around
I got so much love for youSee I got so much love for you in these arms
Don't you know that you're my good luck charm?
Where you are, forever, girl, ain't no harm
Ain't nobody else can run with, I won't allow itI got so much love for you in these arms
Don't you know that you're my good luck charm?
Lovin' you forever girl
And never do I wanna go without my good luck charmAnd I throw away this ice and give up my JE pieces
Just to get a piece of your love forever
And I know you are a keeper, so baby girl I'm keepin' you
Can't think about letting you go, no noIt seems like every situation I been facing
You know what to do to save me
So I know you bring me luck
So I'm standing strong like a soldier
I know how to hold you
I'm saying this to let you know
I got soI got so much love for you in these arms
Don't you know that you're my good luck charm?
Where you are, forever, girl, ain't no harm
Ain't nobody else can run with, I won't allow itSo much love for you in these arms
Don't you know that you're my good luck charm?
Lovin' you forever, girl

And never do I wanna go without my good luck charmSee you're my
See you're my
See you're my
