Just Before Goodbye

Nina Nesbitt

You got new jeans, the hoodie's not gone
I'm in a new dress that I've never worn
And I could have swornYou didn't bat an eye when I walked
Into the room where I first thought
You could be the oneHave we been seeing the world through
A piece of shattered glass
'Cause something so beautiful
Could fall apart so fastJust before goodbye
You had the chance to change your mind
Just before you lied, saying
You gave this your best try
It's not enough to try
You have to give your blood and tears and time
You had one last chance to change your mind
Just before goodbyeCurtains are drawn but we're still dressed
The film plays on while under my breath
I ask what is left, nowBut you ignore, pretend that we're fine
But we're not together half of the time
I would have known the signsHave we been seeing the world through
A piece of shattered glass
'Cause something so beautiful
Could fall apart so fast
Don't you understandJust before goodbye
You had the chance to change your mind
Just before you lied, saying
You gave this your best try
It's not enough to try
You have to give your blood and tears and time
Take the world of hurt inside
You had one last chance to change your mind
Just before goodbyeJust before goodbye
You had the chance to change your mind
And just before you lied, saying
You gave this your best try
It's not enough to try
You have to give your blood and tears and time
Take the world of hurt inside
You had one last chance to change your mind
Just before goodbyeBefore goodbye

Before goodbye
