

# Innocence (Live from Philly 2010)

## Halestorm

See it from the outside  
Running toward the wall  
Seeing from your blind eye  
But you don't know me at all I've been here  
Too many times before  
And your tears don't mean a thing  
I only come when you scream  
I told you [Chorus]  
Just don't follow me home  
You're just too perfect for my hands to hold  
If you choose to stay you'll throw it all away  
And I just want to take your innocence This is what you wanted  
Did I make your dreams come true  
Sitting in a corner  
Wondering what you got into  
You ache for this You don't understand  
That your tears don't mean a thing  
And I only come when you scream  
I told you [Chorus] There's no such thing as fate  
Only yourself to blame  
You never walked away  
I told you [Chorus: x2] And I just want to take your innocence  
I just want to take
