

Close to You

Lee Ryan

Save me from myself
I wanna love somebody else
Someone like you
Makes me smile the whole night through I'm Hungry for some answers
I'm Hunting for the truth
You are what I'm looking for
Please show me the way
Please show me the way
I'll do anything to be close to you
And I'll be anyone that you want If you let me know
Where you run to
Where you go
All around the world
I will follow Coz I'm looking for the real thing
I'm haunted by the truth
You can do anything you want
I wanna be
I wanna be with you I'll do anything to be close to you
And I'll be anyone that you want Save me from myself I want you
One more time I got to show you how I feel [Chorus repeat]
