Why Should I Be Sorry

Johnnie Ray

I threw away my phone
I thought that you should know
I'd throw away my home
If I had somewhere to go
Anything to stop
The circle in my brain
Anything is better than you
Making me feel lame28 days to kick the habit
28 days to let you go
28 days and I'll be on my ownAll my life I've been sorry for something
Something gets me nothing and nothings such a waste
All this time I've been sayin I'm sorry
But why should I be sorry for all of your mistakes
Why should I be sorryI've had enough of you
Please forget my name
I'm runnin around on empty
Still tryin to get away
Anything to kill
The consciousness of you
Anything to end myself
Before the thought of you28 days to kick the habit
28 days to let you go
28 days and I'll be on my ownAll my life I've been sorry for something
Something gets me nothing and nothings such a waste
All this time I've been sayin I'm sorry
But why should I be sorry for all of your mistakes
Now you'll know what it feels like to bite your tongue
Now you'll know what it feels like to be the one
Who walks around with knots in your stomach
I've been there, and I've done it
And now you'll know what it feels like
To always be afraid
Of everything you wanted to say
Who's sorry now
Who's sorry now
Who's sorry nowAll my life I've been sorry for something
Something gets me nothing and nothings such a waste
All this time I've been sayin I'm sorry
But why should I be sorry for all of your mistakesAll my life I've been sorry for something

Something gets me nothing and nothings such a waste
All this time I've been sayin I'm sorry
But why should I be sorry for all of your mistakesWho's sorry now?
