Feels Like Heaven

Titiyo

Heaven is closer now today, the sound is in my ears
I can't believe the things you say, they echo what I fear
Twisting the bones until they snap, I scream but no one knows
Say I'm familiar, cold to touch and then you turn and goFeels like heaven
Feels like heavenSee how we planned for saddened eyes and tears to pave the way
I fought the fever as I knew, my hair it turned to grey
And I study your face and fade the frame, too close for comfort now
We can recall the harmony that lingered but sent sourFeels like heaven
Feels like heavenYou wanted all I had to give
See me, I feel, see me, I liveFeels like heaven
Feels like heaven
(REPEAT TO FADE)
