

Freedom Fighters

P.O.D.

Today I heard what them people say
Then want to live free greedily, with everyone to pay
You play under the sun while others fight and dies away
But I say if you don't like it this way, then why stay? Go away Freedom fighters

Ignite Jah

Freedom fighters

Shine Jah(Live free, be free, die free)

Freedom fighters

(Live free, be free, die free)

Ignite Jah

(Live free, be free, die free)

Freedom fighters

(Live free, be free, die free)

Shine Jah Today I heard what them people say

Them say, "The man came in and he took our choice away"

You portray selfishness and hate while some prepare to die today

I say you fade away, appreciate life and liberate Freedom fighters

And you must fight for what you keep

If what you keep holds truth inside

Stand up, defend lay down and die We have the right to live in peace
