

Maybe It's You

The DeFranco Family

Have you ever made a wish
and had it come true
Have you ever lived a dream
like dreamers do
Do you have a fav'rite day,
a lucky number noone knows,
a secret place to hide away
where nobody else would go
CHORUS
Maybe it's you
Maybe it's you I'll always run to
I long to take you in my arms
but how can I be sure?
I'm so afraid you'll say no you're not
But I think you are
Do you ever go for walks
right out in the rain
Have you ever had a thought
you can't explain
Do you have a special way
to make you laugh instead of frown
A song to sing that makes you smile
whenever you're feeling down (Repeat chorus)
