

Now That We Found Love

Heavy D & The Boyz

Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it Make daddy shoot, make daddy shoot, make daddy shoot
Make daddy shoot, make daddy shoot, shoot, shoot
Shoot all over the place, I say, "Come on baby, when the music's playin'
I wanna see you dance, dance, dance, come on baby" Said, "When the music's playin' I wanna see you dance"
Get up and dance, move yeah, I said move yeah
I said, "Come on baby, let me tell you what I wanna make you do"
I said, "Music, oh yeah, is the soul into my soul, rhythm is alright" Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it Let's give love and try, let jah control, control your destiny
Owe it to ourselves, yes we do to live happy eternally
Sweet love is what we've been searchin' for
And love is what we're lookin' for
Yeah, now that I've got it right here in my hand
I'm gonna spread it all over the land, now Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it You've got to forgive and forget
Let hate, let hate be your enemy
Aah, through the love
And only love will set your spirit free Oh love is what we've been searchin' for
And sweet love is what we're lookin' for
Now that I got it right here in my hand
We're gonna share it all over the land, now Now that we found love
Tell me what we gonna do with it
I really like to know, oh tell now
Now that we found love
What are we gonna do with it Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it Now that we found love
What are we gonna do with it
Now that we found love
What are we gonna do with it
